## The Hotel

When you book a wedding with us you take the whole hotel, so that your day is completely your own and not compromised by other guests.

We have a beautiful Spa Room which is perfect for a Bride and Groom. With stunning views across the Char Valley, we can add personal little touches, such as champagne on ice at your request to make your evening as perfect as your day.

For your other guests we have 10 rooms, all with either en-suite showers or bathrooms and are happy to accommodate children. We can also recommend other local accommodation, and can arrange transport, if you have additional guests. Please ask if you have a specific requirement - we will always do our best to help.

Our beautiful, sun drenched terrace - the perfect place for guests to mingle and be entertained.

celebrate in style

Our impressive restaurant can be decorated to suit your wedding style.

## On Arrival

We can tailor all aspects of your wedding reception to suit your needs and often find guests like to enjoy champagne or drinks on the terrace after the ceremony. Canapes and music help everyone relax as your photographs are taken. We have some especially beautiful backdrops at The Fernhill and can help prearrange settings with your photographer to avoid stress on the day.

## Your Wedding Breakfast

Our wonderful restaurant is enjoying a growing reputation and can seat up to 60 guests in style. We can suggest selections from our menu to suit your tastes or our talented chef will happily devise a bespoke menu to your requirements - just talk through your ideas with us.

In the evening we can accommodate up to 120 people and provide tasty morsels if required. A band or disco can be set up in the restaurant or on the terrace so your guests can celebrate into the early hours if they wish.

## Our Fees

As each wedding is unique we can only provide guide prices. Please feel free to visit and discuss your requirements with us so we can devise a bespoke package to suit you.

*Enjoy exquisite food and  
a great sense of occasion*

## How to find us

We are located on the A3052 just off the A35 signposted to Lyme Regis. When following the A35 west-bound you will first see signs for Charmouth which you do not need to take. Whilst a detour through this coastal village is pleasurable it is faster to ignore these signs, and follow the A3052 to Lyme Regis, we are just off the roundabout on this road.
